Date: 25th July 2024

Sub: Implementation of Virtual Assessment Manager - "Examine"*

Ref: From Headmaster

In line with our commitment to integrating advanced technology into our educational framework, this is to formally announce the initiation of a new project titled "**Examine**" - a Virtual Assessment Manager. This initiative aims to facilitate the administration of in-class assessments via tablets and ensure comprehensive tracking and maintenance of student performance records.

A dedicated team has been appointed to lead this project:

- **Viswanadhapalli Sujay**
- **Sonajoke Nikshiptha**
- **Tompala Sagar**

The team will operate under the mentorship of **Mr. Vilas kommu**, who will oversee the project's development and implementation.

Commencement of Project: 1st August 2024
